INTRODUCTION

Hello and welcome to the Prep4oasc workbook and guide.

The aim of this workbook is to help you prepare for the Officer and Aircrew Selection Centre (OASC) at RAF Cranwell. Working through the practice questions and adhering to the advice contained within this guide will help you gain the skills necessary to be successful at selection.

As well as detailing what to expect from the selection process itself, the workbook provides you with the means to develop and practice the skills necessary for the aptitude tests and planning exercises.

Used alongside mathematical preparation and research into the purposes of the RAF, this workbook will allow you develop your knowledge and improve the vital skills that will put you in good stead for the selection process.

The key to selection is being prepared, learning as much as you can, and demonstrating that you have the qualities required for an RAF Officer or Aircrew.

Good luck!
